

BSAA FLEET POSITION 30 Sep 1946 to 30 Sep 1950.

This information is taken from Quarterly, Monthly and some daily fleet movement returns issued by the Maintenance department of BSAA. Some daily updates were missing from the collection checked. A list of abbreviations appears at the end of the main list. No attempt to verify information from other sources has been made although obvious errors have been noted. Aircraft listed as "transferred to ----- line" appear later on the BOAC fleet position reports
